BARGAINS AT MCCLURE'S

Don't Worry

—ABOUT—

What to Buy

For months we have been making preparations for this holiday business. It is a perplexing question with all of us as to what to buy for a Christmas remembrance—hard to think what this friend would like or that one. A visit to McClure's will probably help you to unconsciously solve this problem. Whether it does or not, the beauty of the goods and the variety of things shown will make the time spent here very enjoyable. After an hour here we think you will be equally as enthusiastic about the beauty of the display as we are, and we want every person in Frankfort, whether you want to buy or not, to visit our store within the next few days.

Early selections afford the greatest choice. We will keep for you anything you may buy now and deliver it anywhere in town you may wish at any time between now and Christmas day.

RETIREES AFTER EIGHT YEARS OF HONORABLE SERVICE.

On Monday last, Chief Justice Anthony Rollins Burnam, retired from the position which he had filled with so much honor and ability for the past eight years.

Judge Burnam had a fine reputation as a lawyer before he ascended the bench, and his whole course since then had added brilliancy to that reputation. He has made an eminently fair and impartial judge—administering the law and justice, as he always strived to do, to the best of his ability. He has more than met the expectations of his friends. He has won an enduring place in the hearts of his colleagues, as was evidenced when he retired, by the deep emotion which shook Judge Hobson, when he attempted to make the address of presentation of the silver "loving cup," which had been arranged for.

Judge Burnam can well afford to retire on the laurels won and resume his practice at the bar with a wider range and broader views. We bid him farewell from our city with sincere regret. He returns this week to his old home at Richmond.

NO MORE STOMACH TROUBLES.

All stomach trouble is removed by the use of **Kodol Dyspepsia Cure**. It gives the stomach perfect rest by digesting what you eat without the stomach's aid. The food builds up the body, the rest restores the stomach to health. You don't have to diet yourself when taking **Kodol Dyspepsia Cure**. J. D. Erskine, of Alleenville, Mich., says, "I suffered Heartburn and Stomach trouble for some time. My sister-in-law has had the same trouble and was not able to eat for six weeks. She lived entirely on warm water. After taking two bottles of **Kodol Dyspepsia Cure** she was entirely cured. She now eats heartily and is in good health. I am glad to say **Kodol** gave me instant relief." Sold by J. W. Gayle.

BENT HER DOUBLE.

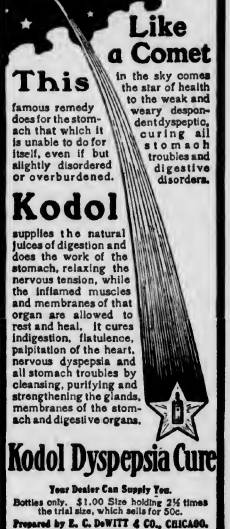

"I knew no one, for four weeks, when I was sick with typhoid and kidney trouble," writes Mrs. Annie Hunter, of Pittsburgh, Pa., "and when I got better, although I had one of the best doctors I could get, I was bent double, and had to rest my hands on my knees when I walked. From this terrible affliction I was rescued by **Electric Bitters**, which restored my health and strength, and now I can walk as straight as ever. They are simply wonderful." Guaranteed to cure stomach, liver and kidney disorders; at all drug stores; price 50c.

PROCLAMATION OF THE GOVERNOR.

Commonwealth of Kentucky,
Executive Department.

As Governor of the Commonwealth of Kentucky and exercising the authority vested in me by Section 80, of the Constitution, I, J. C. W. Beckham, do hereby call the General Assembly of the Commonwealth of Kentucky to convene in extraordinary session in the city of Frankfort, on Thursday, the 12th day of January, 1905.

It is apparent to all who are acquainted with the situation that the present Capitol site is inadequate and unsuited as a place for the new Capitol building and it is evident that to build upon the present site is the loss of the present building and the great cost of providing other quarters for the Departments of the State Government during the time of

construction of the new building and also the cost and risk of the removal and preservation of all the records and archives of the State.

I, therefore, deem it expedient and wise that the General Assembly should be called together in extraordinary session and I designate for its sole consideration, when it shall meet on the aforesaid date, the question as to whether or not the new Capitol building, provided for by an act of the General Assembly at its regular session in 1904, shall be erected upon the present Capitol site or upon some other site within or contiguous to the city of Frankfort, and in the event the General Assembly should deem it best that some other site should be selected, then to make such provisions as may be necessary to secure it.

In testimony whereof I have hereunto set my hand and caused

the great seal of the Commonwealth to be hereunto affixed.

Done at Frankfort this 4th day of January, 1905, and in the 118th year of the Commonwealth.

J. C. W. BECKHAM.

FRANKFORT, JANUARY 7, 1905

DEATH OF JUDGE JOHN C. COOPER.

One by one the members of that able and representative body, the Legislature of 1861-2, are crossing the great divide and entering upon their eternal rest. The last to depart was Hon. John C. Cooper, of Anchorage, but formerly Representative in the Legislature for several terms from the county of Lincoln, during the troublous times of 1860-65.

Mr. Cooper was an able and upright lawyer and Christian gentleman.

We have known him ever since he first came to the Legislature, and esteemed him for his integrity and purity of life and character.

Judge Cooper was 74 years of age and had been seriously ill for some time.

He leaves a wife and three daughters (Mrs. Lucy C. Winslow, of Harrison, Tenn.; Miss Emma and Miss Frances Cooper), to mourn the loss of an indulgent and affectionate husband and father.

The State of Kentucky can ill afford to lose men of Judge Cooper's stamp. He was a devout member of the Methodist Church.

We tender our sincerest sympathy to the afflicted family.

Impoverished Soil

Impoverished soil, like impoverished blood, needs a proper fertilizer. A chemist by analyzing the soil can tell you what fertilizer to use for different products.

If your blood is impoverished your doctor will tell you what you need to fertilize it and give it the rich, red corpuscles that are lacking in it. It may be you need a tonic, but more likely you need a concentrated fat food, and fat is the element lacking in your system.

There is no fat food that is so easily digested and assimilated as

Scott's Emulsion of Cod Liver Oil

It will nourish and strengthen the body when milk and cream fail to do it. Scott's Emulsion is always the same; always palatable and always beneficial where the body is wasting from any cause, either in children or adults.

Shattered Nerves and Weak Heart.

Too Nervous to Sleep or Rest.

Dr. Miles' Heart Cure and Nerve Cured Me.

A shattered nervous system nearly always leads to some affection of the heart, especially where the patient is heart-weakened by hereditary or other causes. Dr. Miles' Heart Cure is not only a great heart regulator, but it is a blood tonic which purifies the blood and improves the circulation. It will build you up just as it did Mr. Crawford, whose letter follows, and greatly improve your general health.

"I have been so greatly benefited by Dr. Miles' Nerve and Heart Cure that I freely recommend them as the best remedies for the diseases they are recommended to cure. When I began taking these medicines I weighed scarcely 120 pounds, my nerves were badly shattered and my heart troubled me a great deal. I had pain in my left arm and shoulder, had difficulty in sleeping on my left side, had frequent smothering spells, and my heart would flutter and palpitate. I could eat scarcely any kind of food without suffering great distress, and was so restless and nervous that I slept little night or day. Now I am never bothered with my heart, my nerves are steady as a die, I sleep well, eat well and weigh 165 pounds. I am happy now and am trying to make back the money I sent for doctors who did me no good while I was ill.—T. K. CRAWFORD, Center, Texas.

TONIC TO THE SYSTEM.

For liver troubles and constipation there is nothing better than DeWitt's Little Early Risers, the famous little Pills. They do not weaken the stomach. Their action upon the system is mild, pleasant and harmless. Bob Moore, of Lafayette, Ind., says, "No use talking, DeWitt's Little Early Risers do their work. All other pills I have used gripe and make me sick in the stomach and never cured me. DeWitt's Little Early Risers proved to be the long sought relief. They are simply perfect." Persons traveling find Little Early Risers the most reliable remedy to carry with them. Sold by J. W. Gayle.

AND HIS CELEBRATED DOG.

See them with the Great Lafayette Company at Capital Theatre Monday evening, January 9th.

"THE GREAT LAFAYETTE"

The Man Who Has Pleased Thousands to be Seen at the Capital Theatre Monday, January 9.

Those of our local theatregoers that have witnessed the performances of "The Great Lafayette" in the past have nothing but praise to offer. It has always been an admitted fact that "The Great Lafayette" show has always given the very best of satisfaction, therefore, we predict crowded houses for this attraction, which is looked to appear at Capital Theatre Monday, January 9, 1905.

It is claimed that this season it will be much larger (if possible) and better than ever. The show has been changed in its entirety, everything heretofore presented has been eliminated. An entirely new company, new scenery, costumes and effects. In place of the "Lion's Bride" Lafayette has substituted a grand spectacular scenic extravaganza, entitled "The Pearl of Bhutan," employing about sixty-five people, men, women and children, horses, wild and domestic animals, his own band and orchestra of soloists, two car loads of special scenery, electrical and mechanical effects, etc. The singing by the large and efficient chorus of the musical numbers will be among the features. A great many will say, what about The Great Lafayette, what will he do? He will be very much in evidence, assuming the title role in the extravaganza, and by special request he will present his original travesties on the famous bandmasters, "Sousa" and "Cretore." Seats now on sale at Barrett's News Depot.

"THE PEARL OF BHUTAN."

This seemingly odd title has been selected by the Great Lafayette, for his new grand scenic spectacular extravaganza, which, according to the posters now on the bill boards around town, will be here soon. This attraction will undoubtedly be one of the leading theatrical sensations of this coming season. To give one a slight idea of this mammoth production, "The Pearl of Bhutan," to present the same the Great Lafayette employs 60 people, men, women and children, a band and orchestra, horses, lion and other wild and domestic animals, a grand chorus, marches, tableaux and dances introduced by a large number of handsome women. The principal characters

in this production are portrayed by a company of actors and actresses of undisputed merit. Every stitch of scenery, properties, stage furniture, carpets, rugs, draperies, etc., are carried and furnished by the company. The Great Lafayette has always had the reputation of giving a good show, but this season he even promises better. We here quote his own words, viz: "I promise this season to give your patrons a show so far ahead of any that I have ever presented that there will be no chance for comparison."

This will be the great attraction at Capital Theatre Monday, January 9. Seats now on sale at Barrett's.

"HAPPY HOOLIGAN"

This Great Play Will Be Seen at Capital Theatre Wednesday, January 11, 1905.

"Happy Hooligan," the greatest comedy achievement and financial success of the century, in which Frank Danmont has written a witty, sparkling dialogue and introduced scenes and incidents even more ludicrous and laughable than Fred Oppen's humorous caricatures in the Metropolitan comic papers, will be presented at the Capital Theatre on Wednesday, January 11. This phenomenally popular comedy holds the record for big business in nearly every important city of the country. A magnificent ensemble of the very best and highest starred comedians, singers, dancers, specialty and vaudeville artists, in a formidable array of all that is pleasing to the eye and ear, and the roaring approval of thousands attests its value as a laugh producer. The subject lending many opportunities for extremely funny and ludicrous scenes and situations, display in marches, dances and tableaux, all of which have been turned to practical account by the art of the scene painter, the skill of the costumer and the genius of the stage director. The comedy is constructed for the delectation of pleasure-seekers only, and not for the class that finds recreation in "problem plays" nor in hectic emotional dramas. The interesting cast of "Happy Hooligan," includes Frank McNish, John Price, Ruby Raymond, Charles Grambsch, Eva Thatcher, Charles Saunders and John Pottinger.

Is the next attraction at the Capital Theatre on Monday, January 9. His program is by long odds the best offered at this house this season. Lafayette is a host in himself. His imitations of Sousa, Creatore and other famous leaders are immensely diverting, while his big feature "The Pearl of Bhutan" is a sensation that might pack a theatre with curious and expectant crowds without other aids. The Lafayette show will no doubt establish a record breaking business during his engagement here, and as a special feature he has engaged the beautiful Spanish danseuse, Trinidad DeGruendin, who will appear, assisted by her company of Spanish Troubadours.

NARROW ESCAPE.

While Mr. John L. Zeigler, local representative of the American Tobacco Company, and Mr. W. J. Graves, of Louisville, were driving along the Flat Creek pike, near Harland, their horse became frightened and ran away, overturning the buggy.

Mr. Zeigler was cut about the head and face, and his shoulder badly bruised.

Dr. C. A. Fish attended to the injuries of the gentlemen.

It was a narrow escape for both of them.

APPOINTED LAW CLERK.

Mr. Oscar Wolfe, of this city, has been appointed law clerk and stenographer by Appellate Judge Jas. E. Cantrill. Mr. Wolfe has been a student in the office of Judge T. L. Edelin and is well qualified for the position, which pays \$100 per month.

NATURE TELLS YOU.

As Many a Frankfort Reader Knows Too Well.

When the kidneys are sick, Nature tells you all about it. The urine is nature's calendar. Infrequent or too frequent action:

Any urinary trouble tells of kidney ills.

Doan's Kidney Pills cure all kidney ills.

Frankfort people testify to this. C. A. Wallace, retired farmer, living at 581 Holmes street, says: "I have thought that the kidney trouble that I suffered from for years was brought on by heavy lifting. I have lifted at times what ordinarily two men would be required to do. This straining myself often caused a dull aching and lameness in my back, and as time went on it got from bad to worse, the aching becoming much more severe until it became so bad at times that I could scarcely get around. A difficulty with the kidney secretions set in and they were scalding, irregular and annoying, especially at night, breaking my rest five or six times. I used various remedies but got little relief from them. I read about Doan's Kidney Pills, and as these were highly recommended, I decided to give them a trial and procured a box at J. W. Gayle's drug store and they helped me from the start. I continued using them until I had taken two boxes. I have every confidence in Doan."

WE ARE ALL FAMILIAR

With the deep, hoarse bark, grimly called "a graveyard cough." It is the cry of the tortured lungs for mercy. Give them mercy in the form of Allen's Lung Balm, a remedy for pulmonary trouble, so highly esteemed that it is recommended even in the earlier stages of consumption. In the later stages mortal skill is unavailing. Nobody can afford to neglect a cold.

"DO IT TO-DAY."

The time-worn injunction, "Never put off till to-morrow what you can do to-day," is now generally presented in this form: "Do it to-day." That is the terse advice we want to give you about that hacking cough or demoralizing cold which you have been struggling for several days, perhaps weeks. Take some reliable remedy for it to-day—and let that remedy be Dr. Roscoe's German Syrup, which has been in use for over thirty-five years. A few doses of it will undoubtedly relieve your cough or cold, and its continued use for a few days will cure you completely. No matter how deep-seated your cough, even if dread consumption has attacked your lungs, German Syrup will surely effect a cure—as it has done before in thousands of apparently hopeless cases of lung trouble. New trial bottles, 25c; regular size, 75c. At all druggists.

Dr. Weaver's Treatment. Syrup purifies the blood, cures heat and skin eruptions.

FORCED TO STARVE.

B. F. Leek, of Concord, Ky., says: "For 20 years I suffered agonies, with a sore on my upper lip, so painful, sometimes, that I could not eat. After vainly trying everything else, I cured it, with Bucklen's Arnica Salve." It's great for burns, cuts and wounds. At all drug stores; only 25c.

"Little Colds" neglected—thousands of lives sacrificed every year. Dr. Wood's Norway Pine Syrup cures little colds—cures big colds too, down to the very verge of consumption.

BUGGY BROKEN DOWN.

As Mr. Pruett Graham was on his way to his father's farm, on Tuesday, when he reached the corner of Main and St. Clair streets, the left fore wheel of his buggy fell into a hole by the side of the street car track and was immediately wrenched off at the hub. The horse Mr. Graham was driving was held by him until he reached the corner of Lewis street, when others came to his assistance and the animal was detached from the buggy.

CLIMATIC CURES.

The influence of climatic conditions in the cure of consumption is very much underrated. The poor patient, and the rich patient too, can do much better at home by proper attention to food digestion, and a regular use of German Syrup. Free expectation in the morning is made certain by German Syrup, so is a good night's rest and the absence of that weakening cough and debilitating night sweat. Restless nights and the exhaustion due to coughing, the greatest danger and dread of the consumptive, can be prevented or stopped by taking German Syrup liberally and regularly. Should you be able to go to a warmer climate, you will find that of the thousands of consumptives there, the few who are benefited and regain strength are those that use German Syrup. Trial bottle, 25c; regular size, 75c. At all druggists.
